WHO WE ARE

We are a powerhouse of innovators addicted to creating, developing, and deploying the world's most cutting edge advanced analytics. Banded together by a love of technology, we pride ourselves on finding solutions to enormous challenges.

WHAT WE DO

We redefine the impossible. We deal with massive disparate data sets that were never intended to be analyzed together. It's about producing clarity from the complexity in our customers most challenging problems, making their aspirations a reality.

WHY WE DO IT

We understand and passionately embrace the pivotal role we play for our customers, our communities, ourselves. It's more than a job, it's more than a mission. It's about the health and success of industry and the safety of our country and our families.

● STAY BALANCED

Our people make all the difference. We aim to help you thrive, keep you balanced, and propel you toward your ultimate goal, whether that's in leadership or an advanced technical trajectory.

● UNLEASH YOUR IMAGINATION

Our customers bring their most challenging problems to the table; our job is to combine passionate people and innovative technology to solve the impossible. Tap into your creativity and make an impact in industry – make a difference in the world.

● BEYOND A 9 TO 5

We don't just offer jobs. At Novetta, we offer challenging work, opportunities to learn and grow, and a tech centric culture that encourages collaboration and innovation. We aim to find the greatness within your talents and crank up the power.
